

No. WHAUP.SEC0045/2026

20 April 2026

Subjects: Report on the Execution of Power Purchase Agreement of Solar Farm Projects**Attention:** President and Manager, The Stock Exchange of Thailand**Reference:** The Company's letter WHAUP.CFR 00095/2567 dated 7 May 2024 regarding report on the Execution of Power Purchase Agreement of Solar Farm Projects

Reference is made to WHA Utilities and Power Public Company Limited ("the Company") being selected as a developer for renewable energy projects under the Feed-in Tariff (FIT) scheme for the period 2022–2030 from the Renewable Energy Sources with non-fossil fuel power plant, in accordance with the Energy Regulatory Commission (ERC) announcement, totaling 6 projects with a combined equity capacity of 135.8 megawatts.

The Company would like to inform the Stock Exchange of Thailand that The Company's Subsidiaries and Joint Venture companies have officially completed the signing of Power Purchase Agreements (PPAs) with the Provincial Electricity Authority (PEA) and the Electricity Generating Authority of Thailand (EGAT) for all 6 projects. These projects are scheduled to reach their Scheduled Commercial Operation Dates (SCOD) between 2027 and 2030. The summary of the projects is as follows:

The Company's Subsidiaries and Joint Venture companies	Type of Solar Project	Contracted Capacity (Megawatts Equity)	SCOD year
WHA Solar Co., Ltd.	Ground-mounted Solar Farm (VSPP)	9.9	2030
WHA Solar Co., Ltd.	Ground-mounted Solar Farm (VSPP)	9.9	2030
Stella Power 1 Co., Ltd.	Ground-mounted Solar Farm (SPP)	35.4	2029
Stella Power 2 Co., Ltd.	Ground-mounted Solar Farm (SPP)	30.2	2030
WHA Solar Co., Ltd.	Ground-mounted Solar Farm with Battery Energy Storage System (BESS) (SPP)	40.6	2029
WHA Solar Co., Ltd.	Ground-mounted Solar Farm (VSPP)	9.9	2027
	Total	135.8	

Please be informed accordingly.

Your Sincerely,

WHA Utilities and Power Public Company Limited

-Akarin Prathuangsit-

(Mr. Akarin Prathuangsit)
